

# LADIES LEAGUE COMPETITION

In the 1950's a group of ladies formed dart teams and played in the Cycle Club and the Band Hall. In 1969 the Port Pirie Darts Association completed building club rooms devoted to darts and commenced competitions. In 1972 the club was destroyed by fire losing all the records and shields as a result the competition records commence in 1971.

The Ladies League competition was held every Wednesday night during the playing season originally being played by teams of six players, however in 2015 it was decided to change the team size to four players due to declining number of female players. This change extended the life of the league but by the end of 2022 player numbers had reduced to a level where the competition was no longer viable to hold a purely Ladies league.
